welcome home  
an Art Project

Chantry Road

A close-up photograph of a white rectangular street sign with a blue border, mounted on a wall of reddish-brown bricks. The sign features the text "CHANTRY ROAD" in bold, blue, sans-serif capital letters. The sign is tilted diagonally across the frame. The bricks are laid in a traditional pattern, and the mortar is dark. The lighting is bright, casting soft shadows.

Dear Chantry Road Residents

As part of our Art Project we are inviting you to share your thoughts and reflections on local life.

Please consider the question and write (or draw) your answers on the blank side of the black & white post card provided.

We will return to collect them on Saturday 22nd March 2014.

Your responses will be imaginatively presented as part of a unique gift to each of the new residents of Chantry Villas.

Thank you for your special contribution.
